> About

Nina Corder, Ed.D, CNP™, the Principal Owner of Lemon Lime Co. The company provides operational leadership, organizational development, project execution, and partnership support for companies seeking to strengthen capacity, improve effectiveness, and achieve measurable outcomes.

Our approach combines strategic thinking, human-centered leadership, systems design, and cross-sector collaboration to help companies strengthen capacity, increase effectiveness, and achieve measurable outcomes.

> Organizational Growth & Capacity Building

Helping companies strengthen the infrastructure, systems, and capabilities needed to achieve sustainable growth and long-term impact.

> Operations & Project Execution

Creating efficient systems, clear processes, and accountable workflows that improve organizational effectiveness and execution.

> Partnerships & Community Engagement

Building meaningful relationships and collaborative networks that strengthen community impact, development and organizational reach.

> Leadership & Administrative Support

Providing hands-on leadership, guidance, operational and administrative support during periods of growth, transition, and organizational change.
